

NORTH SHORE ACADEMY

Current Job Postings

2024/2025 School Year

- Facilitator, Student Success
- Teacher, Math
- Assistant, Administration

North Shore Academy is seeking dynamic and effective education professionals with a growth-oriented mindset, motivated by a new opportunity in the secondary school landscape to create positive change for generations.

You believe in an evolution of education, adapting to the needs of today's student, and have the skills and experience to shape high performance leaders. You are committed to creating a positive culture of accountability and passion for education excellence.

We foster an environment where educators have the freedom to modernize the classroom and education deliverables. Where students remain curious, take initiative, and are inspired in their learning experience. Where innovation and growth stems from positive culture. Where all students are engaged and proud of their work ethic and results. We are like-minded professionals who are leaders in progressive education.

North Shore Academy provides an incredible education model for motivated students and prepares students to succeed in the 21st century, be difference makers, and live a life of purpose. Adaptable learning, customized schedules, and leadership development – all in a boutique high school environment of under 200 students.

We provide progressive education and seek performance excellence.

If you think you would be an exceptional addition to our team, please email:
